

Children to Children Advent Project Suggestions for Teachers

Collection Containers

Ask the children to bring in a lidded jar, gift bag, can or plastic container with a lid, or a small box with a lid and conduct an Advent workshop for the children to decorate the containers themselves.

Prayer

Ask the children to pray the following prayer at Sunday School each Sunday in Advent. Give them copies of the prayer to take home and suggest that families say it together at dinner time.

PRAYER FOR AFRICA

*God bless Africa
Guard her children
Guide her leaders
And grant her peace
For Jesus Christ's sake. Amen*

Flyer

Duplicate and distribute the attached flyer for the children to take home to share with their families.
