

If this is your strategy for getting in those last few pledges, maybe we should talk.

Better yet, let us help YOU do the talking.

Once the bulk of the work has been done on the annual commitment program and most of the parishioners have sent in their forms, the typical stewardship committee is ready to call it quits. Telephone calls are the follow-up method of choice for most congregations. We want to help you reach 100% of your goal. Come and let us reignite your enthusiasm for your campaign and offer you support in making those final few phone calls.

The Diocese of Washington is sponsoring a Phone-a-Thon to help parish stewardship committees solidify commitments on those pledges still-to-be-made. We want to put some fun into this task and hope you will learn something in the process too.

Join us! November 17, 2004 • 6:00pm to 9:00pm • Cathedral Library located on South Road, near the Greenhouse on the grounds of the National Cathedral.
